

Conversation Starters

Counties and Local Dental Pilot Projects

Below are talking points to help you highlight the successes of Local Dental Pilot Projects on Twitter and to also help you start a conversation. Remember to use the hashtag **#KeepCASmiling** in all of your posts!

- Please post any result metrics each county or program may have.
- How many people in your community have you connected to dental care through care coordination?
- How many children/families have received oral health education?
- How many dental providers now accept Medi-Cal patients as a result of your program's efforts?
- How many children have received oral health screenings and been navigated to care?
- How many children have received preventive oral health services such as fluoride varnish and/or sealants due to your program efforts?
