Hygienist in Med-Dental Offices

Below are talking points to help you highlight the successes of Local Dental Pilot Projects on Twitter and to also help you start a conversation. Remember to use the hashtag **#KeepCASmiling** in all of your posts!

- What feedback have you received from the medical providers about the value of having a hygienist as part of the medical team?
- What feedback have you received from the parents of the children that you have helped?
- What value do you see in having a hygienist integrated into the medical setting?
