

# Conversation Starters

## Patients

Below are talking points to help you highlight the successes of Local Dental Pilot Projects on Twitter and to also help you start a conversation. Remember to use the hashtag **#KeepCAsmiling** in all of your posts!

- Tell us how your local dental pilot project has helped you? How did the program assist you in connecting your child to dental care?
- Please share any stories/testimonials from your experience.
- Why do you like the program?
- Did you access the program through your child's school or a community site?
- Has the program made it easier to connect your child to dental care?
- Did you receive oral health education that will your family stay healthy and prevent cavities?
- Do you have a positive story about the help you received to access dental care?
